# Mentors Matter!

After the success of our Autumn event, we are delighted to welcome back guest speaker Haili Hughes to our mentor training and networking event! Dr Haili Hughes is Director of Education at IRIS Connect and a mentoring lead at the University of Sunderland, as well as a Senior Programme Associate at UCL and ITT Quality Advisor at the DfE. She delivers the English subject content at Embrace SCITT and marks the NPQs for Ambition Institute and Teach First. She was a teacher and leader for 16 years. She has written 5 books and has 8 on the way. She speaks at hundreds of schools every year, both nationally and internationally and facilitates the ECF and NPQs.

This event is carefully designed to acknowledge and celebrate the role of mentors in the Golden Thread of Professional Development, and recognise how crucial they are to whole school development. This event is suitable for new and experienced mentors within the profession.
