

## St John Vianney English Hub

NEWSLETTER APRIL 2022

### Strategic Lead's Message

In March we attended our termly Hub event with representatives from all the 34 English Hubs in attendance. Here we were able to talk about how we will soon be 'graduating' many of our partner schools and looking towards supporting our new Wave 4 schools. We were also able to talk about the future of the Hubs' programme and how we are eager to extend our reach into KS2 and KS3. It is good to know that the new White Paper makes specific reference to both the English and Maths hubs. We are confident we will be able to continue our support to those schools who need it.
